JAMBIANI KUZA CAVE

Kuza Cave in Jambiani, East Coast Zanzibar offers a unique experience for adventurous nature-lovers, snorkellers, divers and people interested in Swahili Culture. The cave is a 50 metre round sink hole in the middle of a small jungle in Jambiani, East Coast Zanzibar. Cross a small bridge and walk down a few stairs to enter an underground oasis. The circular shape of the cave is a result of over 250,000 years of rainwater eroding the limestone. A large natural rock sculpture in the shape of an elephant is used by locals as an alter to make offerings to the spirits who live in the cave and request their support.

Please feel free to check with Our Tour Expert for more Information & plan your memorable Trip.

You are most Welcome!! Karibu sana!!
